SOVEREIGN AMBASSADOR & COMMUNITY COLLABORATION AGREEMENT

Effective Date: _____

BETWEEN:

LUXA Ecosystem (operator of the luxa-1 Sovereign Layer-1 Blockchain, LDEX, and Spider Vault), represented by its Founder & Lead Architect, **Yassine Ouaadil**, accessible via the official portal at https://luxaecosystem.xyz/ (hereinafter "LUXA" or the "Project");

AND

(hereinafter the "Ambassador"). Collectively the "Parties" and individually a "Party".

1. Appointment & Independent Contractor Status

1.1 Role: LUXA hereby appoints the Ambassador as **Sovereign Ambassador (IN_SERVICE)** for the country or region stated above, to promote community growth, user education, and ecosystem adoption there and across international Web3 channels.

1.2 Independent Status: The Ambassador acts strictly as an independent collaborator and community partner. Nothing in this Agreement creates an employment relationship, partnership, joint venture, or agency authority. The Ambassador has no authority to enter into financial commitments, sign contracts, or make binding representations on behalf of LUXA.

2. Scope of Collaboration & Deliverables

The Ambassador agrees to contribute flexibly and consistently through the following activities:

- **Educational Content:** Producing and publishing clear tutorials, videos or articles on the Ambassador's own channels, covering the LUXA Ecosystem, wallet security and onboarding into @LuxaEcosystemBot.
- **Regional Onboarding Guides:** Creating onboarding guides in English and the local language(s) of the Ambassador's community.
- **Social Amplification:** Sharing verified LUXA announcements, campaigns, and ecosystem milestones across the Ambassador's Telegram, X (Twitter) and other social channels listed above.
- **Community Support & Feedback:** Assisting new Pioneers with basic ecosystem navigation and providing constructive product feedback (including optional beta testing of LUXA developer and AI-assisted tools).

3. Compensation & Pre-Listing Token Policy

3.1 Zero Fiat / Zero Stablecoin Policy: Both Parties explicitly agree that during the current pre-listing development and growth phase, no compensation, salary, retainer, or expense reimbursement shall be paid in fiat currency or stablecoins (including USDT/USDC).

3.2 In-App Ambassador Allocation: Upon activation of status IN_SERVICE for the Ambassador's Telegram User ID, LUXA provides:

- An in-app credit of **15 LUXA** (Sovereign Ambassador Reserve) within @LuxaEcosystemBot.

- Activation of the **20x Referral Multiplier**, granting 0.001 LUXA per verified active user onboarded via the Ambassador's personal tracking link.
- VIP access to the Ambassadors Chamber (Raqeem Chamber) and official branding badges.

3.3 Pre-Listing Lock & Distribution: All accumulated Ambassador allocations, referral commissions, and approved community giveaway rewards are tracked within the official LUXA Mini App and Partner Ledger and remain subject to LUXA's ecosystem unlock and Centralized Exchange (CEX) listing schedule. Any on-chain transfers sent to the Ambassador's designated Spider Vault address prior to CEX listing are strictly for network testing and verified ecosystem utility.

4. Brand Integrity, Security & Compliance

4.1 Accurate Representation: The Ambassador shall align all promotional materials with official documentation published at https://luxaecosystem.xyz/ and https://utsa.gitbook.io/services/mainnet/luxa.

4.2 No Financial Advice or False Promises: The Ambassador shall never guarantee token prices, investment returns, or unannounced CEX listing dates.

4.3 User Security: All tutorials must emphasize that Spider Vault is non-custodial and users must never share their 24-word recovery phrase with anyone, including LUXA team members or Ambassadors.

5. Intellectual Property & Confidentiality

5.1 Project IP: LUXA retains sole ownership of all trademarks, logos, software (luxa-1, LDEX, LX, Spider Vault), and official documentation.

5.2 Promotional Content License: The Ambassador grants LUXA a non-exclusive, royalty-free, worldwide license to feature, embed, and repost LUXA-related videos and guides created by the Ambassador inside @LuxaEcosystemBot and official LUXA social channels.

5.3 Confidentiality: The Ambassador agrees not to disclose internal team discussions, unreleased technical architectures, or private administrative data shared inside the Raqeem Chamber.

6. Term & Termination

6.1 Duration: This Agreement takes effect on the Effective Date above and remains active on a flexible, ongoing basis.

6.2 Termination: Either Party may terminate this Agreement at any time by providing 3 days' written notice via email or Telegram. LUXA reserves the right to revoke IN_SERVICE Ambassador status immediately without prior notice in the event of fake/bot referral manipulation, misrepresentation of the Project, or breach of Section 4.
